

2026 JOINT CONFERENCE

ANNOUNCING THE JOINT CONFERENCE:

WA State Public Health Association & WA State Environmental Health Association

WENATCHEE CONVENTION CENTER OCTOBER 13-15, 2026

For decades, the Washington State Public Health Association and the Washington State Environmental Health Association held a joint conference. Now, after a 15-year separation, it's time to come together once again. Join us and 600 other public health professionals to collaborate, share insights, and support our collective mission to keep our communities healthy.

Sponsoring and exhibiting at the conference provides you with the opportunity to:

Meet key decision makers, including leaders from State, Local, Tribal, and Community health organizations;

Demonstrate your support of the public health community and your commitment to improving the public's health; and

Connect with an audience that shares your interest in promoting health for all.
